General Anesthesia - Your pet is scheduled for the above procedure which involves general anesthesia. Although the doctors at Animal Medical Hospital at Glenwood utilize very safe anesthetic protocols and monitoring devices, there are inherent risks involved with any patient undergoing anesthesia. An IV catheter will be placed prior to the procedure which will help to facilitate quick administration of emergency medications, if needed.

Pre Surgical Blood Testing - Many surgeries **require** pre-surgical blood testing before general anesthesia. In the event that pre-surgical blood testing is optional please indicate below what your preference is for your pet:

- () Perform a pre-surgical blood screen (recommended if less than 7 years old) \$78.00
- () Perform a comprehensive pre-surgery blood screen (**Required** on pets over 7 years if not done in last six weeks) \$97.00

Patients Undergoing Dental Procedures -. Many times, the teeth and gums need additional treatment which may include extractions, and implanting antibiotics to help with the reattachment of the gums. Cost estimates are available prior to consent.

- () Please perform additional procedures as needed, with additional cost not to exceed \$ _____. If needed procedures exceed this amount, please contact me first.
- () Please **do not perform** any additional procedures without contacting me first

Microchip - The cost of a microchip is \$69.50 and includes your lifetime registration into the data base which is done by our office.
